**Subject:** American Energy - Bennoc Permit

Hi Kevin , early this month OEPA sent you a revised draft permit for the American Energy , Bennoc permit . This draft permit was revised at the request of an individual in the Governor's Office to remove limits for sulfates and total dissolved solids. I would like to request that you send me a copy of all correspondence and other information related to this permit.

You can e mail me this information at :

Gelmaraghy@yahoo.com

Or mail the information to:  
George Elmaraghy  
4842 McBane Street  
Columbus, Ohio 43220
